

ANTI-BULLYING POLICY

1 SCHOOL POSITION ON BULLYING

- The community of Cuan na Gaillimhe CNS believes that each pupil has a right to an education free from fear and intimidation.
- The school regards bullying as a serious infringement of individual rights and a serious threat to the self-esteem and self-confidence of targeted pupil(s). Therefore, it does not tolerate bullying of any kind.
- Every report of bullying is treated seriously and dealt with, having due regard for the well-being of the targeted pupil(s) and the perpetrator(s).
- An 'Anti-Bullying Team', made up of staff members, exists to cultivate an environment free from bullying. This 'team' comprises of the School Principal and learning support teacher. New teaching appointments will be invited to be part of the 'Anti-Bullying Team'. The aims of the Anti-Bullying team are to:
 - To raise awareness of bullying as a form of unacceptable behaviour with school management, teachers, pupils, parents/guardians.
 - To ensure comprehensive supervision and monitoring measures through which all areas of school activity are kept under observation.
 - To develop procedures for noting and reporting incidents of bullying behaviour.
 - To develop procedures for investigating and dealing with incidents of bullying behaviour.
 - To develop a programme of support for those affected by bullying behaviour and for those involved in bullying behaviour.
 - To evaluate the effectiveness of school policy on anti-bullying behaviour.
 - The immediate priority, should a bullying incident occur, is ending the bullying, and resolving the issues and restoring the relationships involved insofar as is practicable using a 'reform, not blame' approach.
 - The school recognises that, in order to end bullying, a cooperative approach between teachers, pupils and parents is taken.

2 COMPLIANCE

In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management Cuan na Gaillimhe CNS has adopted the following anti-bullying policy within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the *Anti-Bullying Procedures for Primary and Post-Primary Schools* which were published in September 2013.

3 KEY PRINCIPALS

The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following key principles of best practice in preventing and tackling bullying behaviour:

- A positive school culture and climate which-
 - is welcoming of difference and diversity and is based on inclusivity;
 - encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
 - promotes respectful relationships across the school community;
- Effective leadership;
- A school-wide approach;
- A shared understanding of what bullying is and its impact;
- Implementation of education and prevention strategies (including awareness raising measures) that-
 - builds empathy, respect and resilience in pupils; and
 - Explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying.
- Effective supervision and monitoring of pupils;
- Supports for staff;
- Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and
- On-going evaluation of the effectiveness of the anti-bullying policy.

4 DEFINITION

In accordance with the *Anti-Bullying Procedures for Primary and Post-Primary Schools* bullying is defined as follows:

Bullying is unwanted negative behaviour, verbal, psychological or physical conducted, by an individual or group against another person (or persons) and which is repeated over time.

The following types of bullying behaviour are included in the definition of bullying:

- deliberate exclusion, malicious gossip and other forms of relational bullying,
- cyber-bullying and
- identity-based bullying such as homophobic bullying, racist bullying, bullying based on a person's membership of the Traveller community and bullying of those with disabilities or special educational needs.

Isolated or once-off incidents of intentional negative behaviour, including a once-off offensive or hurtful text message or other private messaging, **do not fall within the definition of bullying** and should be dealt with, as appropriate, in accordance with the school's code of behaviour.

However, in the context of this policy, placing a once-off offensive or hurtful public message, image or statement on a social network site or other public forum where that message, image or statement can be viewed and/or repeated by other people will be regarded as bullying behaviour.

Negative behaviour that does not meet this definition of bullying will be dealt with in accordance with the school's code of behaviour.

Additional information on different types of bullying is set out in Section 2 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*.

5 RELEVANT TEACHERS FOR INVESTIGATING AND DEALING WITH BULLYING:

(see Section 6.8.4 of the Anti-Bullying Procedures for Primary and Post-Primary Schools):

Class Teacher
Learning Support/Resource Teacher
Principal

All staff members will adopt the 'reform, not blame' approach to anti-bullying

A consistent and clear approach to dealing with bullying when it occurs is essential to effective practice. The member of teaching staff who has responsibility for investigating and dealing with bullying will normally be the class teacher. However, a pupil or parent may bring a bullying concern to any teacher in the school. Individual teachers must take appropriate measures regarding reports of bullying behaviour in accordance with the school's anti-bullying policy.

6 PREVENTION STRATEGIES

The education and prevention strategies (including strategies specifically aimed at cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying) that will be used by the school are as follows (see Section 6.5 of the *Anti-Bullying Procedures for Primary and Post-Primary Schools*):

- The anti-bullying module of the SPHE programme as it applies during each school year
- As self-esteem is a major factor in determining behaviour, the school will, through both their curricular and extra-curricular programmes, provide pupils with opportunities to develop a positive sense of self-worth. Initiatives and programmes focused on developing pupils' awareness and understanding of bullying, including its causes and effects, should deal explicitly with the issue of identity-based bullying and in particular homophobic and transphobic bullying. Programmes will be adopted in accordance with Department guidelines as these programmes become available.
- The school's approach to tackling and preventing bullying takes particular account of the needs of pupils with disabilities or with SEN. Approaches to decreasing the likelihood of bullying for pupils with SEN include improving inclusion, focusing on developing social skills, paying attention to key moments such as transitioning from primary to post-primary and cultivating a good school culture which has respect for all and helping one another as central.
- The school's prevention and awareness raising measures will be appropriate to the type of bullying and take into account the age and gender of the pupils involved. The school will work to raise the awareness of bullying so that all members of the school community understand what bullying is and how the school deals with bullying behaviour.

Examples of Programmes currently used in the school: (Please note these programmes may be changed/added to as the school grows and more material and resources becomes available.)

- Stay Safe
- Walk Tall
- Fun Friends

7 PRACTICAL TIPS FOR BUILDING A POSITIVE SCHOOL CULTURE AND CLIMATE

The following are some practical tips for immediate actions that can be taken to help build a positive school culture and climate and to help prevent and tackle bullying behaviour.

- Model respectful behaviour to all members of the school community at all times.
- Catch them being good - notice and acknowledge desired respectful behaviour by providing positive attention.
- Consistently tackle the use of discriminatory and derogatory language in the school – this includes homophobic and racist language and language that is belittling of pupils with a disability or SEN.
- Give constructive feedback to pupils when respectful behaviour and respectful language are absent.
- Follow up and follow through with pupils who ignore the rules.
- Actively involve parents and/or the Parents' Association in awareness raising campaigns around social media.
- Actively promote the right of every member of the school community to be safe and secure in school.
- All staff can actively watch out for signs of bullying behaviour.
- Ensure there is adequate outdoor supervision.
- School staff can get pupils to help them to identify bullying “hot spots” and “hot times” for bullying in the school.
 - Hot spots tend to be in the playground/school yard/outdoor areas, changing rooms, corridors and other areas of unstructured supervision.
 - Hot times again tend to be times where there is less structured supervision such as when pupils are in the playground/school yard or moving classrooms.
- As the school grows support the establishment and work of student councils.

8 PROCEDURES FOR INVESTIGATING AND DEALING WITH BULLYING.

The school's procedures for investigation, follow-up and recording of bullying behaviour and the established intervention strategies used by the school for dealing with cases of bullying behaviour are as follows (see Section 6.8 of the Anti-Bullying Procedures for Primary and Post-Primary Schools):

- (i) The primary aim for the relevant teacher in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame);
- (ii) In investigating and dealing with bullying, the teacher will exercise his/her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;
- (iii) All reports, including anonymous reports of bullying must be investigated and dealt with by the relevant teacher. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying, they are not considered to be telling tales but are behaving responsibly;
- (iv) Non-teaching staff such as secretaries and special needs assistants (SNAs) must be encouraged to report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher.
- (v) Parents and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;
- (vi) It is very important that all involved (including each set of pupils and parents) understand the above approach from the outset;
- (vii) Teachers should take a calm, unemotional problem-solving approach when dealing with incidents of alleged bullying behaviour reported by pupils, staff or parents;
- (viii) Incidents are generally best investigated outside the classroom situation to ensure the privacy of all involved;
- (ix) All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way;
- (x) When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- (xi) If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements;
- (xii) Each member of a group should be supported through the possible pressures that they may face from the other members of the group after interview by the teacher;
- (xiii) It may also be appropriate or helpful to ask those involved to write down their account of the incident(s);

(xiv) In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parents of the parties involved should be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school should give parents an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports for their pupils;

(xv) Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to him/her how he/she is in breach of the school's anti-bullying policy and efforts should be made to try to get him/her to see the situation from the perspective of the pupil being bullied;

(xvi) It must also be made clear to all involved (each set of pupils and parents) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parents and the school;

(xvii) Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable. This can have a therapeutic effect;

(xviii) In cases where the relevant teacher considers that the bullying behaviour has not been adequately and appropriately addressed within 20 school days after he/she has determined that bullying behaviour has occurred, it must be recorded by the relevant teacher in the recording template at **Appendix 1**.

(xix) In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of his/her professional judgement, take the following factors into account:

- Whether the bullying behaviour has ceased;
- Whether any issues between the parties have been resolved as far as is practicable;
- Whether the relationships between the parties have been restored as far as is practicable; and
- Any feedback received from the parties involved, their parents or the School Principal or Deputy Principal (when appointed);

(xx) Where a parent is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parents must be referred, as appropriate, to the school's complaints procedures;

(xxi) In the event that a parent has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parents of their right to make a complaint to the Ombudsman for Children.

9 PROGRAMME OF SUPPORT

The school's programme of support for working with pupils affected by bullying is as follows:

Bullied pupils:

- Ending the bullying behaviour,
- Changing the school culture to foster more respect for bullied pupils and all pupils,
- Changing the school culture to foster greater empathy towards and support for bullied pupils,
- Indicating clearly that the bullying is not the fault of the targeted pupil through the awareness-raising programme,
- Indicating clearly that the bullying is not the fault of the targeted pupil through the speedy identification of those responsible and speedy resolution of bullying situations,
- After resolution, enabling bullied pupils to complete a victim-impact statement,
- Helping bullied pupils raise their self-esteem by encouraging them to become involved in activities that help develop friendships and social skills (e.g. participation in group work in class and in extra-curricular group or team activities during or after school).
- Implementing a 'buddy system' in the school (*if applicable*),

Bullying pupils:

- Making it clear that bullying pupils who reform are not blamed or punished and get a 'clean sheet,'
- Making it clear that bullying pupils who reform are doing the right and honourable thing and giving them praise for this,
- Helping those who need to raise their self-esteem by encouraging them to become involved in activities that develop friendships and social skills (e.g. participation in group work in class and in extra-curricular group or team activities during or after school),
- Using learning strategies throughout the school and the curriculum to help enhance pupils' feelings of self-worth,
- In dealing with negative behaviour in general, encouraging teachers and parents to focus on, challenge and correct the behaviour while supporting the child,
- In dealing with bullying behaviour seeking resolution and offering a fresh start with a 'clean sheet' and no blame in return for keeping a promise to reform.

10 SUPERVISION AND MONITORING OF PUPILS

The Board of Management confirms that appropriate supervision and monitoring policies and Practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

The school operates an effective supervision rota at break times. An adequate number of adults supervise children on outings and at special events in the school. Children are discussed at weekly meetings. Incidents of bullying will be discussed at weekly meetings and staff will be made aware of certain children when necessary for the purposes of supervision at break times. A termly bullying report will be made to the Board of Management.

11 PREVENTION OF HARASSMENT

The Board of Management confirms that the school will, in accordance with its obligations under equality legislation, take all such steps that are reasonably practicable to prevent the sexual harassment of pupils or staff or the harassment of pupils or staff on any of the nine grounds specified i.e. gender including transgender, civil status, family status, sexual orientation, religion, age, disability, race and membership of the Traveller community.

12 IMPLEMENTATION & RATIFICATION

This policy and its implementation will be reviewed by the Board of Management once in every school year. The Parent Teacher Association was consulted in drawing up the policy. Written notification that the review has been completed will be made available to school personnel, published on the school website and provided to the Parent Teacher Association. A record of the review and its outcome will be made available, if requested, to the patron and the Department.
